OVERVIEW

IMCO is the largest and oldest approved stockist and supplier for industrial products in the Kingdom of Saudi Arabia. We are trusted by global leaders in the Oil & Gas and Infrastructure sectors to supply industrial products, including pipes, fittings, flanges, and valves, for over 40 years.

Being part of the Al-Othman Holding Company, IMCO is approved by the largest organizations in the GCC (Gulf Cooperation Council), working with Saudi Anamco, Saudi Electric Company (SEC), Saline Water Conversion Corporation (SWCC), SABIC, their EPCs, and many other industry leaders to support sustainable success in highly competitive regional industrial markets.

IMCO has an extensive 100,000 square meter warehouse network across Dammam, Riyadh, Jeddah, Yanbu, and

Bahrain to ensure our clients have access to the best global industrial products. We are the only stockist with yard in Dammam port area. IMCO stocks more than 35,000 line items, equivalent to 42,000 metric tons of products from leading manufacturers around the world. Coupled with the teams' technical expertise across various project applications, ISO certifications, and a world class IMS, IMCO has become the go-to partner for quality industrial products.

“

We are trusted by global leaders in the Oil & Gas and Infrastructure sectors to supply industrial products for over 40 years.

العثمان القايطة
AlOthman Holding

AL OTHMAN HOLDING PORTFOLIO

IMCO is part of the Al Othman Holding, a significant family-owned business that was established in 1967 in the Kingdom of Saudi Arabia. Forbes Magazine named Al Othman Holding one of the «Top 100 Family Businesses in the Middle East» in 2022.

They are leaders in a variety of industries, including Real Estate and Contracting, Engineering and Distribution, Oil and Gas, Technology, Food and Beverage, Education, and others, and they are paving the way for new ways of conducting business in

order to contribute to a more robust economy, a more advanced society, and a healthier planet. The subsidiaries of Al Othman Holding have been voted among the top 10 Brands in KSA in a variety of different categories.

WHY IMCO

Quality Guaranteed

IMCO stocks products from leading manufacturers. We are ISO certified and have a world class Integrated Management System for seamless processing.

Value for Money

We leverage the scale of IMCO's activities to get the best value for money for our customers.

Stock Availability

IMCO stocks more than 35,000 line items, equivalent to 42,000 metric tons of product in its extensive warehouse network across Dammam, Riyadh, Jeddah, Yanbu, and Bahrain to bring the best global industrial products to our customers.

Technical Expertise

Innovation and technical quality are becoming increasingly important for our client's competitive advantage. We continuously improve our services and product mix while providing technical expertise across various project applications.

40 year track record

IMCO is the largest and oldest stockist & distributor in Saudi Arabia with a proven track record as an approved supplier of industrial products to mega projects and major end-users.

Sustainability

IMCO is committed to adding sustainable value across economic, Social and Governance (ESG) issues. We monitor the impact of our supply chain economically, socially, environmentally and on human rights and expect the same from our suppliers.

Approved by End-Users

IMCO is an approved stockist and distributor to some of the largest organizations in the GCC (Gulf Cooperation Council). We work with our suppliers and manufacturers to position their technology within certain applications to support innovation and provide competitive advantage for clients including Saudi Aramco, Saudi Electric Company (SEC), SABIC, Saline Water Conversion Corporation (SWCC) their EPCs and many other industry leaders.

VISION

To become a leading source and supplier of industrial products for Large Enterprise End Users, EPCs, and mega project contractors.

MISSION

To consistently provide best in class industrial products cost effectively.

A photograph of an industrial refinery or chemical plant at dusk. The scene is filled with complex piping, towers, and storage tanks, illuminated by warm lights against a twilight sky. In the foreground, several large white cylindrical storage tanks are visible. The overall atmosphere is industrial and active.

CORE VALUES

- Customer First
- Integrity
- Greater Together
- Continuous Improvement

CHAIRMAN'S MESSAGE

Since IMCO's establishment in 1979, we are proud to have served the leading names in the Oil and Gas and Infrastructure sectors as an approved stockist and supplier of quality industrial materials. We have maintained these partnerships for over four decades by delivering consistent quality technical expertise, and by engaging with our customers to provide the right product mix they need to support their success.

We have grown together with our partners, through an unswerving commitment to professionalism and the continuous development of our processes, product quality and mix. We have evolved in step with global industry innovations, implementing frontier technologies, such as our world class ERP system to gain customer insights that enhance our decision-making processes and deliver even better results for our clients. Today, we have an extensive partnership network of leading global suppliers, manufacturers, and clients.

We have also expanded our warehouses across Saudi Arabia and the GCC to better serve our clients as the 'go to' partner for world class industrial products. As we continue to grow our company, we remain steadfast in our commitment to adding value to the markets and communities in which we operate. We strive to contribute to economic and social progress through support of local businesses, by creating jobs, and by adding real value to employees, customers, and communities. This is how we measure our success.

Welcome to IMCO, part of the AlOthman Holding Company and a trusted stockist and supplier to the Oil & Gas and mega infrastructure industry for over 40 years.

Mohammed Abdullah Al-Othman
Chairman of Al Othman Holding

QUALITY POLICIES

IMCO's Quality Management System ensures that every product supplied is of the highest quality having passed stringent quality control systems.

IMCO being an ISO 9001:2015 certified company ensures to continuously improve its Quality Management System and has instilled a "quality culture", with each team member committed to on-time delivery, attention to detail and prompt customer service.

COMMITMENT

Customer satisfaction is our top priority at IMCO. The key to providing our customers with the quality and service they deserve comes down to our people. That's why we focus on being an employer of choice by nurturing a positive corporate culture that is underpinned by values of respect and collaboration, and by providing our employees with the tools and opportunities they need to develop both personally and professionally to reach their full potential.

Our employee development program ensures that every employee has access to learning and development opportunities, while our shared values and code of conduct encourage a workplace environment where every team member is respected, valued, and heard. Because, when we take care of our employees, they take care of our customers!

OUR PARTNERS

IMCO has strong partnerships with some of the world's leading industrial manufacturers and suppliers of industrial materials. Over the last 40 years we have grown and maintained an extensive partnership network comprised of world class suppliers and manufacturers that have exceptional supply chains to provide our customers with first rate products.

MISCELLANEOUS

METALLIC PIPES

A wide selection of seamless and welded pipes in all grades of Carbon Steel, Alloy Steel, Stainless Steel, Duplex, Super Duplex and higher alloys available in different sizes and diameters.

Carbon Steel

TYPE	STANDARD	GRADE	RANGE
Seamless	API 5L, A53, A106, A333	B, X42, X52, X60, X65, X70, X80, GrA, GrC Gr3, Gr6	1/4"-24"
Welded (ERW/SAW/SPW)	API5L, A53, A671, A672	B, X42, X52, X60, X65, X70,X80, CC60, CC65 CC60, CC65	2"-120"

Alloy Steel

TYPE	STANDARD	GRADE	RANGE
Seamless	A335	P1, P11, P12, P22, P5, P9, P91, P92	1/2"- 24"
Welded	A691	1CR, 1-1/4CR, 2-1/4CR, 5CR, 9CR, 91	2"-120"

Stainless Steel & Higher Grades

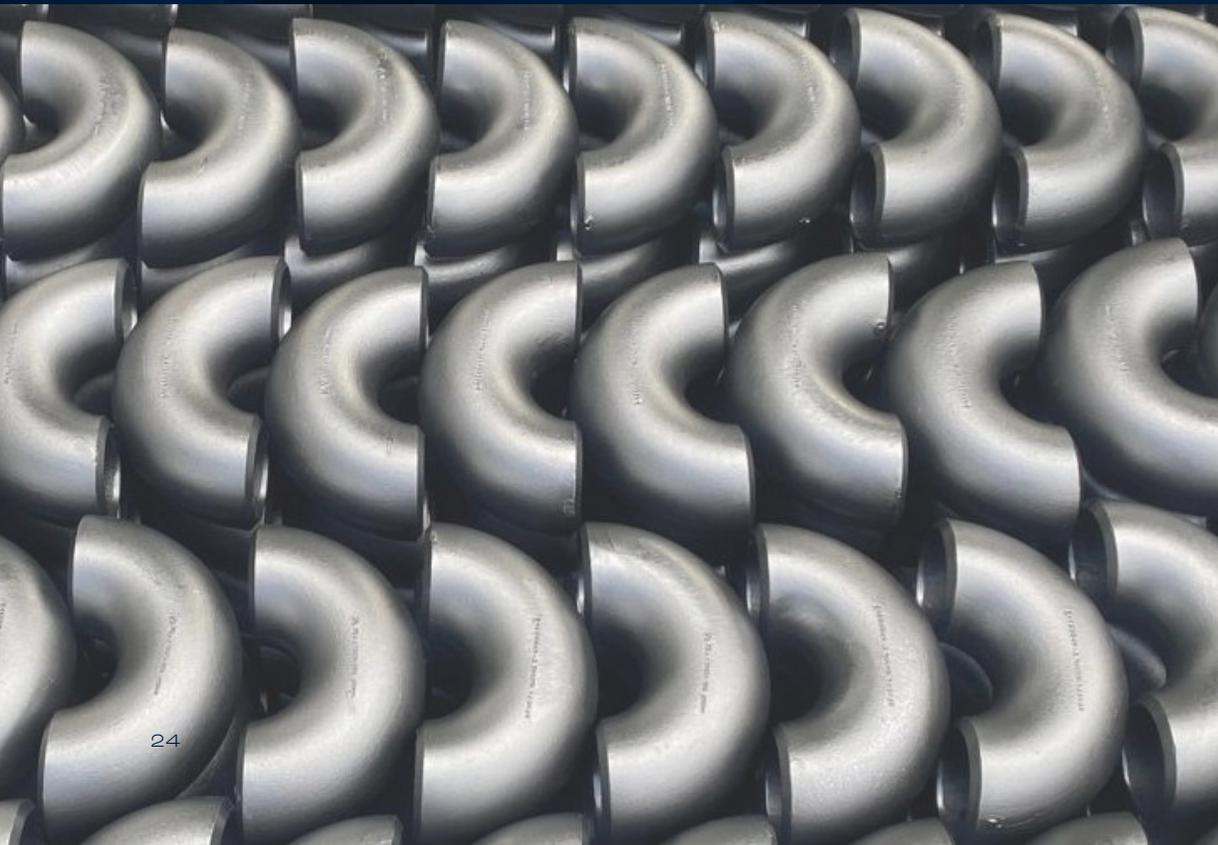

TYPE	STANDARD	GRADE	RANGE
Seamless	A312, A790, B444	TP304/304L, TP316/316L, TP321, TP321H, TP347, TP347H, S31803, S32750, N06625	3/8"- 24"
Welded (ERW/EFW)	A358, A312, A790, B474	TP304/304L, TP316/316L, TP321, TP321H, TP347, TP347H, S31803, S32750, N06625	2"- 80"

Copper Nickel Pipes

TYPE	STANDARD	GRADE	RANGE
Seamless	B466, B467, B111	90/10 Cu-Ni, EEMUA 7060X, 70/30 Cu-Ni, UNS 71500	1/2"- 16"
Welded	B466, B467, B111	90/10 Cu-Ni, EEMUA 7060X, 70/30 Cu-Ni, UNS 71500	14"- 36"

FITTINGS

High-quality pipe fittings are used extensively in process applications. We have forged, buttweld and grooved fittings in various grades, shapes, and size combinations to reduce the number of fittings required, resulting in substantial project cost savings.

VALVES

A wide range of valves including Gate, Globe, Check, Ball & Butterfly in different material of constructions i.e. Carbon Steel, Stainless Steel, Cast Iron, Ductile Iron and higher alloys.

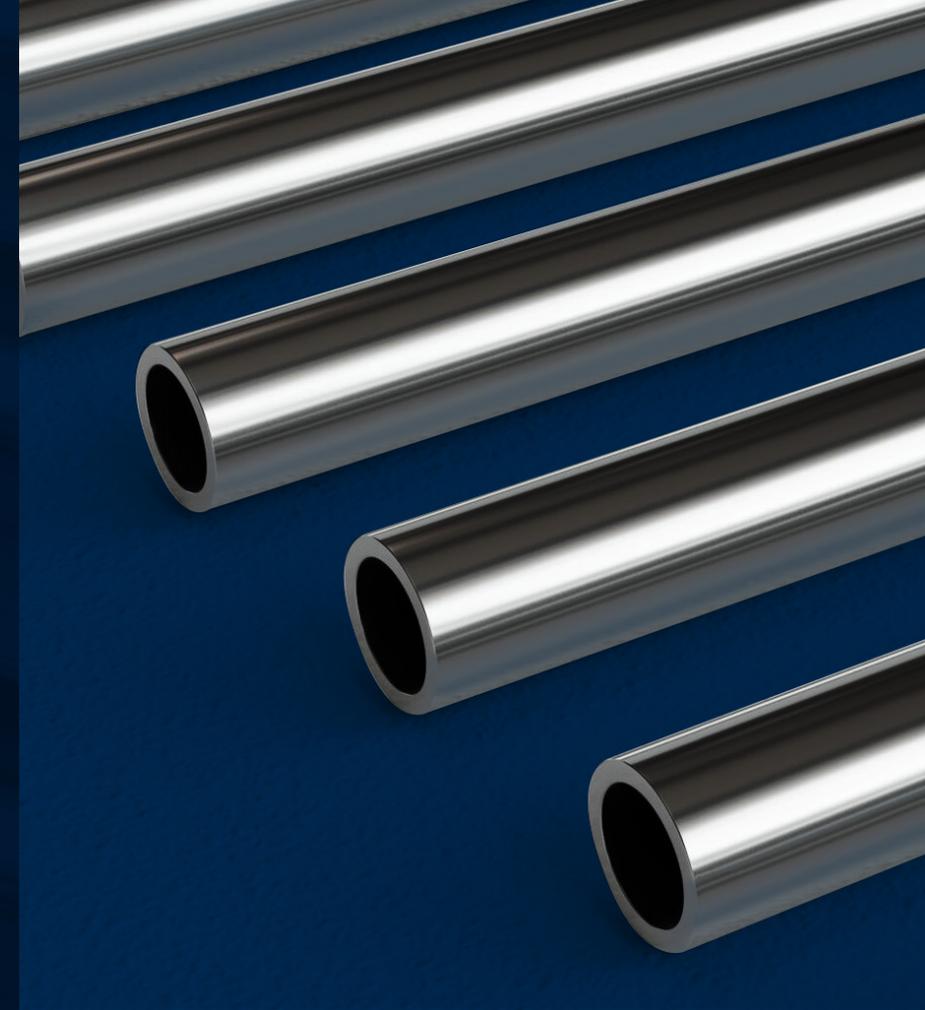

- Gate Valve
- Gate Valve API 6A
- Gas Operated Valve - GOV
- Globe Valve
- Check Valve API 6A
- Pneumatic Operated Valve - ZV
- Check Valve
- Ball Valve API 6A
- Hydraulic Operated Valve - HOV
- Ball Valve
- Plug Valve API 6A
- Shut Down Valve - SDV & ESDV
- Butterfly Valve
- Choke Valve
- High-Integrity Pressure Protection System - HIPPS
- Plug Valve
- Pressure Relief Valve - PRV
- Control Valve
- Motor Operated Valve - MOV

MATERIAL	SIZE RANGE	CLASS RANGE	END TYPE RANGE	STANDARD / SPECES
Carbon Steel (Forged/Cast)	1/4" - 120"	150# - 2500# 3K PSI - 20K PSI	Flanged, Welded, Threaded, Hub connection	API 6A
Stainless Steel (Forged/Cast)				API 6D
Super Duplex and higher alloys				API 6DSS
Cast/Ductile Iron				API 600
Brass/Bronze				API 602 UL/FM

TUBES

Instrumentation and hydraulic tubes are available in coil and straight lengths, including PVC encapsulation and umbilical construction in stainless steel and higher alloys, with a variety of standard specifications and sizes.

Stainless Steel & Higher Grades

TYPE	STANDARD	GRADE	RANGE
Seamless	A269, A213, A312, A789, A790	SS316/316L, SS304/304L, S32750 (Super Duplex), S31254 (6Mo), N08904 (904L)	1/16" - 1" 3mm - 50mm

Alloy Steel

TYPE	STANDARD	GRADE	RANGE
Seamless	B444, B622, B163	N06625 (Inconel 625), N10276 (Hastelloy), N04400 (Monel)	1/16" - 1" 3mm - 50mm

DRILL PIPES & COLLARS

A comprehensive range of drill pipes, heavy weight drill pipes, drill collar & pup joints in various sizes, connections & coatings.

Drill Pipes

RANGE

2-3/8" - 6-5/8"

Heavy Weight Drill Pipes

RANGE

2-7/8" - 6-5/8"

Drill Collars

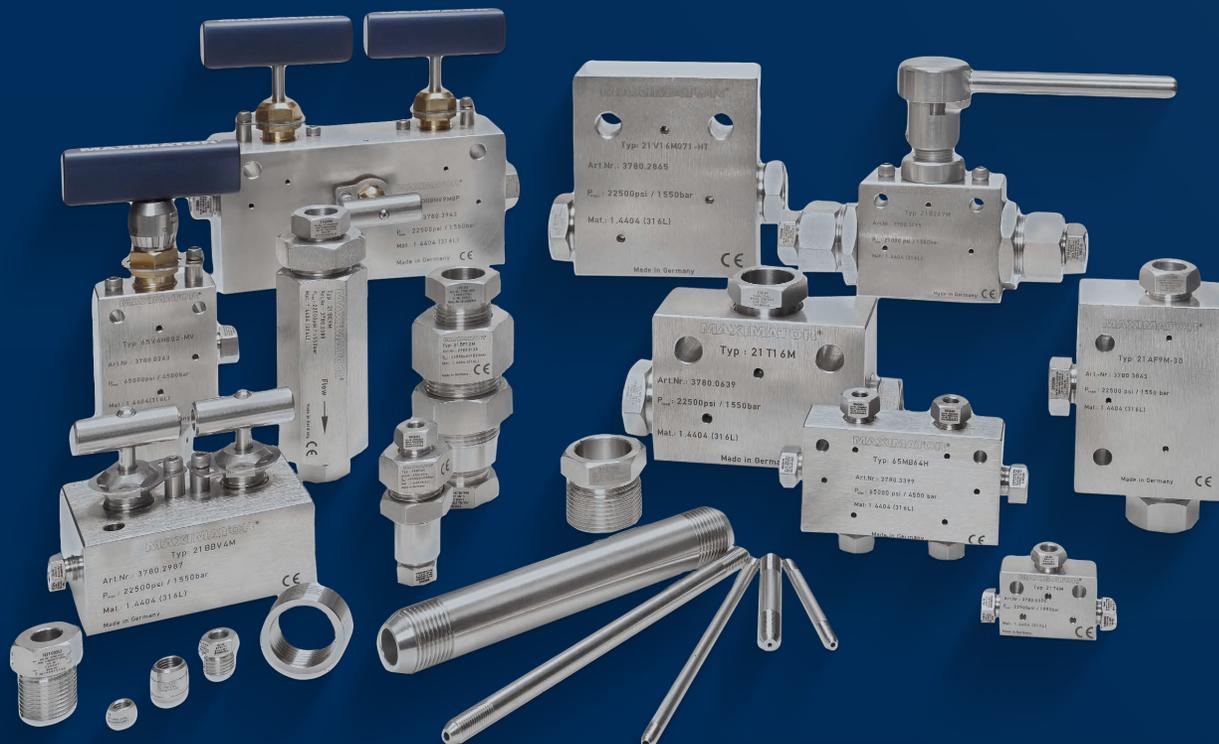

RANGE

3-1/8" - 11"

INSTRUMENTATION

A range of Instrumentation products designed for various uses, including Fittings, Valves, Flange Connectors, Sample Cylinders, Pressure Regulators and Tube Clamps. We also supply fittings and valves with ultra-high pressure range up to 152,000 psi (10,500 bar).

Instrumentation Fittings

TYPE	STANDARD	GRADE	RANGE
Tube Compression End, Cone & Threaded End	A182, A479	SS316/316L, Brass, Monel, 6MO, Duplex, Super Duplex, Inconel 625, Inconel 825, Hastelloy-C, Titanium	1/16" - 2" 3mm to 25mm

Instrumentation Valves

TYPE	STANDARD	GRADE	RANGE
Ball, Needle, Check, Relief, Manifolds, Gauge, Bleed, Plug, Bellow, Diaphragm, Metering	A182, A479	SS316/316L, Brass, Monel, 6MO, Duplex, Super Duplex, Inconel 625, Inconel 825, Hastelloy-C, Titanium	1/8" - 1"
Monoflange, Double/Single Block & Bleed	A182, A479	SS316/316L, Monel, 6MO, Duplex, Super Duplex, Inconel 625, Inconel 825, Hastelloy-C	1/4" - 2"

Flange Connectors

TYPE	STANDARD	GRADE	RANGE
Tube Compression End	A182, A479	SS316/316L, Monel, 6MO, Duplex, Super Duplex, Inconel 625, Inconel 825, Hastelloy-C	1/4" - 2"

Sample Cylinders & HQC Couplings

TYPE	STANDARD	GRADE	RANGE
Spun & Formed, SESO/DESO	A182, A479	SS304, SS316, Monel, Hastelloy-C	1/8" - 1/2" (10 ml - 4 gallons)

Pressure Regulators

TYPE	STANDARD	GRADE	RANGE
Reducing, Cylinder, Back Pressure, Vaporizing, Hydraulic	A182, A479	SS316/316L, Monel, 6MO, Inconel 625, Hastelloy-C	1/8" - 1/2"

Tube Clamps

TYPE	STANDARD	GRADE	RANGE
Single, Double, Multi	A182, A479	CS, SS V2A, SS V4A, Aluminum, Polypro- pylene, Polyamide, Elastomers	1/16" - 1" 3mm - 50mm

PUMPS & BOOSTERS

A wide range of pumps, boosters & hydraulic units with different applications & pressure ranges are available to end user requirements.

Air Driven Reciprocating Pump (up to 7,000 Bar / 101,500 Psi)

Air Driven Reciprocating Boosters (up to 2,400 Bar / 36,000 Psi)

Pressure Testing Units/Station, Containerized structure

Gas Boosters Skids, Stations, Flushing units, Gas changing units

Control Panels – BOP, Well Head, Emergency Shut Down Panels

Air Driven Chemical Injection Skids

FASTENERS

High tensile stud bolts for high temperature application in carbon steel, stainless steel and higher alloy material in multiple diameters and lengths combinations.

PRODUCT	STANDARD	GRADE	RANGE
Stud Bolts	A193, A320	B7, B7M, B8, B8M L7, L7M	1/4" - 3"
Nuts	A194	2H, 2HM, Gr4, Gr8, Gr8M	5/8" - 3"

GASKET

Designed to ensure high performance even at extreme heat, cold, or widely fluctuating temperatures. We supply gaskets across a wide range of sizes and material compositions in all metal grades, construction, and with applicable insulation kit options.

Carbon Steel/Stainless Steel with Outer, Inner Ring & Winding

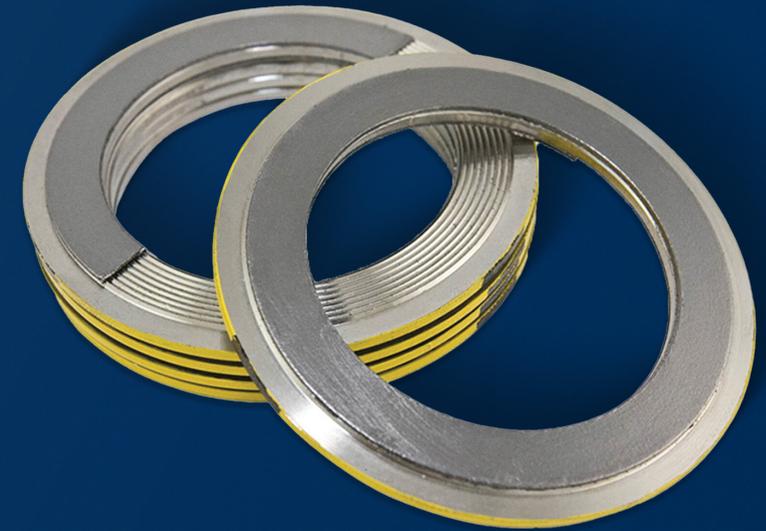

TYPE	RANGE
Spiral Wound Gaskets	1/4"- 120"

Compressed Fibre Jointing Material - Neoprene, EPDM, Viton, NBR & Silicon

TYPE	RANGE
Non-Asbestos Soft Cut Gaskets	1/4"- 120"

Soft Iron, Stainless Steel- 304, 316/316L in R, RX, BX, API 16.20 & API 6A

TYPE	RANGE
Ring Joint Gaskets	1/2"- 24"

- Spiral Wound Gasket
- Ring Joint Gasket
- Compressed NAF (CNAF) Gasket
- Synthetic Fiber Gasket
- Rubber Gasket
- Compressed Asbestos Fiber (CAF) Gasket
- PTFE Gasket
- Flexible Graphite Gasket

MISCELLANEOUS

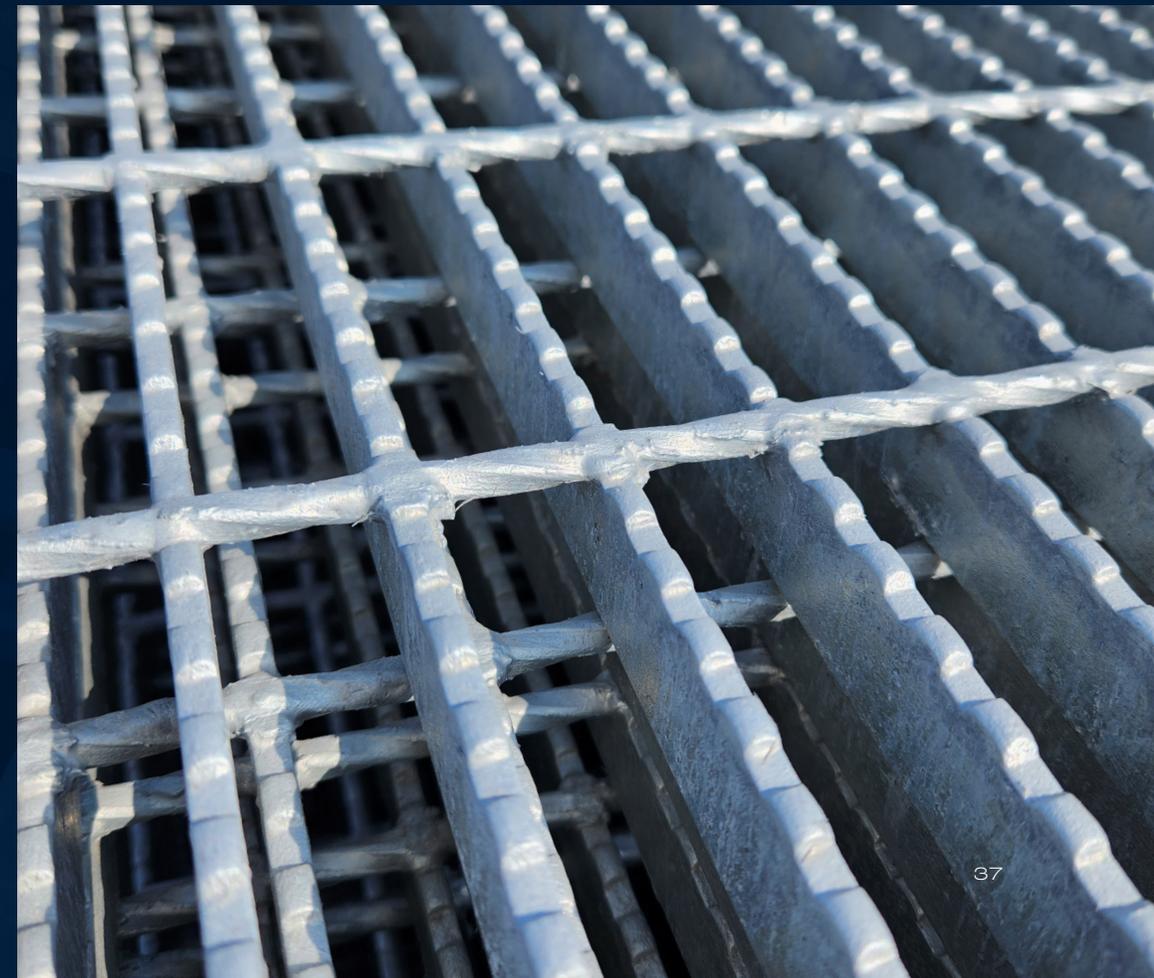

Comprehensive range of Welding Electrodes and Steel Gratings are available in different sizes and grades.

Welding Electrodes

TYPE	RANGE
Mild Steel, Stainless Steel, Ductile Iron	2.5mm, 3.2mm, 4mm & 5mm

Steel Gratings

TYPE	RANGE
A36 A1011 Plain, Serrated, Black, Galvanized	1 x 6 M

END USER APPROVALS

IMCO is an approved stockist and distributor to some of the largest organizations in the GCC (Gulf Cooperation Council). We work with our suppliers and manufacturers to position their technology within certain applications, in order to support innovation and provide competitive advantage for clients including Saudi Aramco, Saudi Electric Company (SEC), Saline Water Conversion Corporation (SWCC), SABIC, their EPCs, and many other industry leaders.

KEY CLIENTS

IMCO has rich experience in providing piping solutions to the energy sector and managing projects of all sizes and complexities regionally. We have earned recognition as a leading piping solutions provider, combining cost effectiveness, quality, reliability, performance, consistency, and safety with efficiency, while maintaining profitability.
